

**Head of
Financial
Reporting
Section
(Ref: HFRS/M)**

Do you have passion for numbers?

Our client is a large international leader in the communications industry. In view of streamlining its internal financial processes the company is looking for a seasoned professional to occupy the position of Head of Financial Reporting Section.

The jobholder will report to the CFO and will bear responsibility for providing all the necessary information for reporting, budgetary and business planning purposes and proposing the necessary course of action for the settlement of variances.

Based: Tirana

The essential duties of the position will comprise of: financial reporting according to IFRS standards; budget preparation, coordination, revision and analysis; presentation of monthly reports; production and coordination of the 3-year business plan as per the established model; coordinating and monitoring the financial data in the Controlling module of SAP; support external auditors in reviewing the financial reporting process; leading and managing the reporting staff.

Successful candidates should demonstrate strong ability for working up to strict time deadlines and pressure, high level of self-organization and attention to detail.

Other important job requirements would include:

- University degree in Finance/Accounting
- At least 5 years of professional experience in finance, of which two in a similar or financial management role
- Very good practical knowledge of SAP
- Strong result orientation and resilience
- Ability to react flexibly in quickly changing business situations
- Excellent command of MS Office, Excel in particular
- Fluent English (both spoken and written)

The professionals interested in this position should send a cover letter and a comprehensive CV in English to peopleandchange@kpmg.al or to KPMG Albania sh.p.k., "Deshmoret e Kombit" Blvd., Twin Towers Buildings, Building 1, 13th floor, Tirane 1000 Albania. Please quote reference HFRS/M on all correspondence. Closing date for applications is 22 February 2010. Documents will be treated in strict confidentiality. kpmg.com.al
