

**Senior Legal  
professional**

**Legal Advisory**

In response to the growing request for professional legal\* and regulatory advice on complex legal issues and transactions, **KPMG in Albania** is expanding its legal team and provides opportunity for an experienced **Senior Legal professional** to further advance his/her career in the area of **Legal Advisory**.

### **The Responsibilities**

- Providing legal advice on a wide range of projects
- Managing complex legal assignments
- Developing key client relationships
- Understanding the client's business and helping to identify areas for the provision of legal and other services
- Coaching and mentoring junior staff
- Liaising with colleagues across the KPMG global network of firms
- Reporting directly to partners on the progress of the projects

### **The Person**

- University degree in Law
- At least five years of legal experience (experience in corporate and commercial law and M&A would be considered an advantage)
- Strong understanding of the business environment
- High level analytical skills and a commercial approach to resolving issues and providing advice
- Managerial skills
- Excellent client relationship skills
- Fluency in English

### **Contact**
